KAMAL HASANZADE

FRONTEND DEVELOPER (JUNIOR)

ABOUT ME

I am a motivated and curious Frontend Developer with a strong passion for learning and self-improvement. Since childhood, I have been a fan of Formula 1, which has helped me develop a deep interest in research, analysis, and continuous learning.
I have strong leadership skills and have often been selected as a leader throughout my academic journey.
I hold a B2 level in English and can communicate confidently and clearly in both written and spoken forms.
